

to October 15, 1974, as "Johnny Horizon '76 Clean Up America Month."

NOW, THEREFORE, I, GERALD R. FORD, President of the United States of America, do hereby proclaim the period September 15 through October 15, 1974 as Johnny Horizon '76 Clean Up America Month and ask our Nation's attention to the Johnny Horizon '76 environmental awareness and action program for America's 200th birthday and related Bicentennial activities. I urge representatives of business, industry, labor, Government, civic groups, and other citizens to continue to join together to demonstrate the significant results that can be realized when Americans translate their concern into affirmative action. I further urge a continuation of neighborhood and community cleanups, beautification programs, resource recovery and education programs, energy and wild-life conservation efforts and other worthwhile activities.

IN WITNESS WHEREOF, I have hereunto set my hand this nineteenth day of September, in the year of our Lord nineteen hundred seventy-four and of the Independence of the United States of America, the one hundred ninety-ninth.

GERALD R. FORD

Proclamation 4316

September 26, 1974

**National School Lunch Week, 1974**

*By the President of the United States of America*

**A Proclamation**

Winston Churchill once said that the best investment any society can make is putting milk into babies. By the same token, providing nutritious lunches for millions of American school children is a concrete way of investing in our future well-being as a Nation.

Only healthy, well-nourished students can realize their fullest mental and physical potential and transform equality of opportunity from an ideal into a reality. Those who work in school lunch programs around the country—volunteers and employees of the Federal, State and local governments which administer the National School Lunch Program are helping to realize this goal.

Recognizing the importance of their activities, and the good which this program does our Nation, Congress has designated the week beginning the second Sunday of October each year as National School Lunch Week, and has requested the President to issue annually a proclamation calling for observance of that week.

NOW, THEREFORE, I, GERALD R. FORD, President of the United States of America, do hereby urge the people of the United States to observe the week of October 13, 1974, as National School Lunch Week and to give special attention to activities which will focus on good nutrition for our young people.

IN WITNESS WHEREOF, I have hereunto set my hand this twenty-sixth day of September, in the year of our Lord nineteen hundred seventy-four, and of the Independence of the United States of America the one hundred and ninety-ninth.

GERALD R. FORD

Proclamation 4317

September 27, 1974

**Modifying Proclamation No. 3279,<sup>1</sup> Relating to Imports of Petroleum and Petroleum Products, Providing for the Long-Term Control of Imports of Petroleum and Petroleum Products Through a System of License Fees and Providing for Gradual Reduction of Levels of Imports of Crude Oil, Unfinished Oils, and Finished Products**

*By the President of the United States of America*

### A Proclamation

I am advised by the Administrator of the Federal Energy Administration that certain technical changes to Proclamation No. 3279, as amended, are required. Among these technical changes are the clarification of certain definitions, a provision to eliminate conflict between the Oil Import Control Program and the Mandatory Petroleum Allocation Program, and the establishment of added capacity as the basis for import allocations to new, expanded, and reactivated refineries and petrochemical plants. In addition, the Administrator informs me that lowering the import fee schedule on natural gas products to the level assigned to crude oil will make United States interests more competitive in obtaining this valuable commodity in the world market.
